The Gales of Araby are not so much the aroma which the fragrant Soudan imparts to the breath. Nor is the heart of the ivory nut whiter than the teeth that are cleaned daily with that matchless fluid.

To Owners of Horses.—No one who has ever used Dr. Tobias' Horse Venetian Liniment, will ever be without it; it is a certain cure for Colic, Sore Throat, Cuts, Bruises and Old Sores. Warranted superior to any other; in pint bottles, at One Dollar. Sold by all Druggists. Depot 10 Park Place, New York.

The Hopeless.—You are weak, dejected, miserable, and nothing does you any good, you say. Don't despair. Try the "Vinegar Bitters." No! Then why don't you? Whether your complaint be dyspepsia, biliousness, nervous weakness, constitutional debility, or any other trouble, Vinegar Bitters will revive and renovate the shattered system, as a general rain refreshes the withered flowers.

For Dyspepsia, indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague, and other intermittent fevers, the Ferro-Phosphated Elixir of Calisaya, made by Cassell, Hazard & Co., New York, and sold by all druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

Thurston's Ivory Pearl Tooth Powder.—The best article known for cleansing and preserving the teeth and gums. Sold by all druggists. Price 25 and 50 cents per bottle. F. C. Wolff & Co., New York.

Risley, the originator and proprietor, and the trade supplied by his successors, Morgan & Risley, New York.

Swapsin, or opium purified, the most perfect anodyne in the market, made by process of Dr. L. M. Bigelow, Detroit Medical College, is always in demand in strength, which is rarely the case in other preparations of opium.

We Have Frequently Heard mothers say they would not be without Mrs. Winslow's Soothing Syrup, from the birth of the child until it has finished with the teething stage, under any consideration whatever.

The secret of Beauty.—What is it? no longer asked, for the world of fashion and all the ladies know that it is produced by using a delightful and harmless toilet preparation known as G. W. Laird's "Bloom of Youth." Its beautifying effects are truly wonderful. Depot, 5 Gold street, New York. Sept 1 1/2

The Public Library OF KENTUCKY.

SECOND GRAND GIFT CONCERT

Day of the Drawing Fixed.

No Postponement from September 28.

TO THE PUBLIC:

The Trustees of the Public Library of Kentucky, being satisfied, from the large sale of tickets already made, and the daily increasing demand for them, that there will be no occasion for postponing the second drawing in the Gift Concert in aid of the Public Library of Kentucky, have instructed me, as their agent and manager of the Gift Concert, to say to the public and ticket-holders that the drawing will positively take place on September 28, proximo, and will not be postponed. An active demand for tickets comes from every State and Territory of the United States, and from the Canadas, giving assurance to the Trustees that no circumstances can prevent a drawing at the appointed time.

A sufficient clerical force is engaged to keep up with the orders for tickets, and in order that this office may be relieved of the immense pressure incident to the business for the week or two immediately preceding the drawing, agents especially, and those desirous of procuring tickets, are requested to send in their orders immediately, as sales will have to be closed in time to make the necessary preparations for the drawing. It is the wish of the management to fill every order for a ticket, as well as to sell all the tickets, but those who apply first must first be supplied; and if those who put off buying until sales are closed have their money returned, instead of the tickets ordered, as in the first Gift Concert in December last, when thousands of dollars that came too late were sent back, they will have none to blame but themselves. THOS. E. BRAMLETTE, Agent Public Library, Kentucky. Louisville, Ky., August, 1872. Aug 28 46
